Sub - Improvements to the shandy Maidan at Hoskote

I have the honor to state that the Municipal Council Hoskote Town have resolved in their meeting held on 31 10 46 and 4.12.46 that improvements to the shandy maidan may be got effected at an estimated cost of Rs.16400/-. The estimate has been duly got scrutinised by the Executive Engineer, Bangalore Division The council have also resolved to request Government to sanction half the cost, that is, Rs.8200/- as Government Grant and the other half as loan to the Municipality. They have agreed to pay a sum of Rs 1500/- every year including the interest that the Government will impose on the loan of Rs 8200/- towards the loan amount till the loan is completely repaid.

It is reported that the Municipality has sufficient means to repay the loan. They say that they would be getting more than Rs.1900/- every year by way of rents on Municipal buildings and when the shandy maidan is improved they expect to get a good income by way of ground rent and increased income on the octroi articles The estimated income of Rs 1900/- by way of rents on Municipal Buildings etc , is borne out from the budget estimates of the Municipality approved by Government It is also reported that there is no other commitment on the part of the Municipality.

In the above circumstances I request that sanction of Government may kindly be obtained for taking up the improvement works to the shandy maidan at an estimated cost of Rs 16400/- to be advanced by Government in the first instance, one half of it
